

## Redneck Rider's Organization

### Lawnmower Racing Rules

1. All lawnmowers must be checked before being registered by a member of the Redneck Riders' Organization.
2. Drugs and Alcohol will not be tolerated. If you are found doing either you will be denied racing for the event being held.
3. All racers must wear proper safety equipment (closed toe shoes or boots, long pants, approved helmet).
4. All lawnmowers must have kill switches.
5. All lawnmowers must have working brakes.
6. The lawnmowers can use snow blower type tires on the front only.
7. Lawnmowers must be an original lawn cutting mowers (no garden tractors) and must be powered by lawnmower engine. Snowmobile engines are allowed in open class only.
8. Foot or trigger type throttles are allowed.
9. All mower decks and attachments must be removed.
10. All lawnmowers must run on pump fuel. High octane is allowed.
11. Centrifugal clutches and chain driven systems. Snowmobile clutches are allowed.
12. Mufflers are optional. If they are removed they have to be routed under the mower chassis.
13. All batteries and fuel tanks have to be securely fastened to mower chassis.
14. All lawnmowers must have a number
15. All modifications that are made to the engine and or carburetor must be made with lawnmower parts (with the exception of rear axles which can be trans-axle or live axle design, chain or belt driven. Front axles may be fabricated or re-enforced but have to be mounted in the original location. The front and rear axles may be widened up to 42" outside of the tire and may to offset. The mower chassis can't be widened, narrowed, lengthened or shortened by any more or less than original manufacturer's dimensional length. You can add tubular steel for structural strength. The mowers chassis may be altered only to allow strength of the trans-axle or live axle.
16. No playing around in the pits. If you are caught you will get only one warning and if you are caught for the second time you will be asked to leave.
17. If your mower breaks down and it's your class, you only have 3 minutes to get it fixed. If not the race will start without you.
18. No speeding off the track, if you are going fast, take an extra lap to slow your mower down.
19. Only one driver and one pit crew member per lawnmower in pit area.
20. Only drivers and personnel are permitted to be on the track during the races.
21. If your lawnmower breaks down while in a race, you must leave the track and wait for your next scheduled race.
22. There will be no switching lawnmowers during the race.

- There will be **NO** Refunds
  - Those that choose not to follow the rules will not be allowed to enter the races
  - These races are not for the ones who are serious. Everyone is out for fun, laughter and an all-around good time.
